Hi everyone,

It is April, time to think about our next campout in Wekiva Falls.

This is always an easy weekend as Wekiva does our Friday night dinner and our Saturday morning breakfast for us.

***Thursday, April 11:** (our early Bird Day) We have a planned event for tonight. Several people want to go to the German restaurant in Sanford for dinner. Hollerbach's German Market, which is about 11 miles from the campground. (I think there may be other little shops/restaurants in that same building that we might also check out while we are there. The plan is to carpool together and leave between 4 & 4:30 PM from the campground. When we get back, we can play cards/games in the club house for the evening or whatever you all want to do.

Friday, April 12: Breakfast & Lunch are unplanned as usual. You are free to do whatever suits your fancy, the pool is beautiful and the falls in the springs are awesome, just be sure to have fun! I do have a craft for us to have fun with. See pictures and suggestions on page 2. (Have questions, call me: 352-598-7162.

Friday dinner is in the Clubhouse from 4 to 6:30 PM served by the Wekiva cooks, Hamburgers, chips etc. I think the charge is \$5.00. (This choice is optional.)
